THOMAS T. REES.

A death which has occasioned profound sorrow in the community occurred about 2:30 o'clock last afternoon when Mr. Thomas T. Rees passed to the Great Beyond.

Some two weeks since he was attacked with appendicitis. His condition continued to grow worse and early yesterday all hope for his recovery was abandoned.

Mr. Rees was 17 years of age and was the second son of Mr. and Mrs. D. J. Rees of near Washington.

He was one of Mason county's most promising young men. Studious, of exemplary habits and a boy in whom every confidence could be placed, he was popular with all his associates, old and young alike.

He was a pupil of the Maysville High School and would have graduated in June. In his demise his classmates have lost one of their most valued members and the Faculty of the School a student whose untiring industry and personal honor were unexcelled.

Out of respect to his memory his class has been dismissed until after his funeral, and tomorrow the entire school will be adjourned.

Besides his bereaved parents there are two brothers surviving.

The funeral will take place tomorrow morning at 10:30, sun time, at his home near Washington.

The services will be conducted by Rev. Froh and the interment will be in Maysville Cemetery.

LEAVES FOR LOS ANGELES

The Rev. F. W. Harrop Starts This Morning For California

Rev. F. W. Harrop, Presiding Elder of the Methodist Episcopal Church of the Maysville District, left for Los Angeles, Cal., this morning. The General Conference opens in that city May 4th, and a shake-up in the societies of the Church is predicted.

The Home and the Foreign Missionary Societies, now operating together, are to be separated, the first coupled with the Church extension work and the latter left to itself. The Educational and the Freedmen's Aid Societies are to be consolidated.

The two Deaconess Societies, one a regular Church organization and the other a part of the Women's Home Mission, will also in all probability be consolidated into one.

Brother Harrop is expected by his legion of friends and admirers in this city to hold up his end of the log and give a good account of himself on his return. Bon voyage and safe return.

In the absence of Elder Harrop the Rev. Thomas Hanford of Augusta will act in his stead in the sacramental services at the M. E. Church next Sabbath at both morning and evening services.

The Rev. M. A. Banker will occupy Rev. Hanford's pulpit in Augusta.

REAL APRIL "SHOWER"

Wind and Rain Got in Their Work Here Early Last Evening

The threatening aspect of the sky, though the clouds gathering fast somewhat prepared the people for the terrific storm which broke over this section about 6 o'clock last night.

For the time being the wind and rain vied with each other in their might, and beside washing the ground much damage was done.

Accompanied with peals of thunder and vivid lightning the storm, to those who are not easily frightened, was a magnificent display of the elements.

Two fine apple trees in the yard of Mrs. H. Collins in the Sixth Ward were completely uprooted.

A brick residence near the Cemetery, occupied by Mr. William Jobst and family, was damaged to the extent of about \$500. The roof on the dwelling was of his construction and it was lifted entirely off in several sections and carried some distance. Mr. Jobst, his wife and four children, left in the drenching rain, began to remove their household goods to adjoining buildings.

The greatest loss was sustained by the Sphar Pressed Brickworks, whose plant, the old amphitheater at the Fairgrounds, is almost a total wreck. The big structure was lifted from its foundation and carried North eighteen or twenty feet. The damage is thought to be fully \$5,000, and no doubt the cost of restoring the old plant would exceed the cost of an entirely new structure.

The results of the storm are very apparent here, where, only a few months since stood one test of the amphitheaters on a modern Fairgrounds, and now all in ruins.

Losses were sustained in the county, gardens being again ruined and fences washed away.

"DO IT TODAY."

The time-worn injunction, "Never put off 'till tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Boerner's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. For sale at Henry W. Ray's Postoffice Drugstore.

THE affirmation by a political majority of the Court of Appeals of the life sentence of JIM HOWARD adds another chapter to the already strange story of GOEBEL's murder. How-

The Jim Howard Case. ARD was undoubtedly in Frankfort when the deed was done. He says so himself; but he was not in the building from which the shot was fired. Months after the killing, and when HOWARD was almost absolutely safe from arrest in his mountain home, he was charged with the murderer. Learning this, he deliberately took a

LOOKING BACKWARD

But Grandpa Lane Won't Admit That He Is That Old

Mr. George Lingenfelter, one of Mason's old and honored citizens, happened to meet in Market street yesterday morning a whilom friend in halcyon days of yore, Mr. I. M. Lane, and in the interchange of greetings they recalled the good old days when both were companions in labor in Marshall's Nursery—better known as the Sulser place—located on the outskirts of the city at the intersection of the Hill City and Fleming pikes.

Among other things Mr. Lingenfelter remarked that tomorrow he would have reached the three score and ten period of life.

Brother Lane was reticent in regard to his own age, as he still considers himself in the matrimonial market, and not for an instant would he have the impression go forth that he was hereabouts 70 years ago.

Fire in the second and third floors of A. Goldberg's clothing house at Cynthiana yesterday morning did damage amounting to \$10,000 or \$15,000, mostly from water. Insured. The fire started from a box where rags had been thrown from a pressing table.

train for Frankfort and voluntarily surrendered himself to the officers—an act that a guilty man would hardly do unless he was crazy.

And now come the trials before partisan Courts and partisan Juries—and HENRY E. YOUTSEY, the latter one of the "conspirators" now in the Penitentiary for life. YOUTSEY swore positively that HOWARD fired the shot that killed WILLIAM GOEBEL, and it was mainly on his testimony that conviction was had, and a life sentence imposed.

Nor must it be forgotten that this same HENRY E. YOUTSEY swore most positively that CALEB POWERS had no part in the murder of GOEBEL, and on a subsequent occasion swore just as positively that POWERS was guilty of the murder—although POWERS was in Louisville when GOEBEL was killed in Frankfort!

And on the testimony of such a perjurer as YOUTSEY, ex-Secretary of State CALEB POWERS has been sentenced to hang and JIM HOWARD is to spend the remainder of his life in the Penitentiary.

Indeed, we in Kentucky live amid strange surroundings!

D. D. D. SPECIAL OFFER REGARDING diseases of the skin.

I have lately secured the agency for this city and vicinity of a preparation which is reliable and certain in clearing away troubles of the skin. Many forms of skin affections which have been considered incurable are conquered by this medicament as easily as a cough is stopped by the proper soothing and healing influences. This preparation is now in use among skin specialists, and many large hospitals have adopted it for eczema and kindred cases. It stands among the most useful medical agents now known.

I have evidence of its work to show which will interest any sufferer. Call and investigate same. Since I have been handling the remedy—known as D. D. D.—its work proves so effective I guarantee its efficacy. In all cases of skin affection I will refund the price of a bottle (\$1) if the sufferer does not consider it literally a Godsend after trying. It is curing the worst kind of cases every day. It seems a pity any one should suffer the torture of skin troubles when so dependable a curative agent can be had so cheaply.

GUARDING AGAINST INVISIBLE FOES.

We are surrounded by millions of invisible foes that war against human life. These enemies are the various disease germs that creep into every home, and the time will soon come when the need of thorough and regular disinfection will be recognized.

DISINFECTANTS AND GERMICIDES

Should be freely used at this season. All sinks, drains, closets, etc., should be freed from infection. We carry all the latest and best disinfectants. Can tell you what is best for each purpose and how to use it. Expense is slight, for we are prepared to make very close prices on all these items.

Husband Once More Takes Erring Wife to His Home

Woman's ways are sometimes past finding out.

Mr. Mike Lundigan of Bracken county is a farmer in good ordinary circumstances.

He has always provided and cared for his family.

His wife has on two separate occasions left him without provocation.

The last time was about ten days ago when she came to this city and was stopping with a family by the name of McKibben in West Third street.

Notwithstanding the escapades of the woman, the father, for love of his child, came to this city on the hunt of the mother.

Securing the aid of Policeman Ryan, that efficient officer was not long in locating the woman.

After a consultation, the husband, for the child's sake, forgave past direful conduct on the part of the wife and took her back to the home she had forsaken.

Mrs. Richard T. Anderson's friend will be glad to hear that she has recovered sufficiently from an operation performed a month ago at St. Joseph's Hospital, Lexington, to be removed to her home. She is much improved in health and her friends hope she will soon be entirely recovered.

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains, and general weariness, until I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully, according to directions, and was rewarded in a few weeks to find that my aches and pains disappeared, and I again felt the glow of health through my body. Since I have been well I have been more careful, I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, MRS. MAY FAIRBANKS, 216 South 7th St., Minneapolis, Minn." (Mrs. Fairbanks is one of the most successful and highest salaried travelling saleswomen in the West.)—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

A Cure for Headache.

Any man or child suffering from headache, biliousness or a dull, drowsy feeling should take one or two of DeWitt's Little Early Risers night and morning. These famous little pills are famous because they are a tonic as well as a pill. While they cleanse the system they strengthen and rebuild it by their tonic effect upon the liver and bowels. Sold by J. Jas. Wood & Son, Druggists.

A Wife and Mother

Should not be exposed to the schemes of self-styled financiers. So think a great many men who, instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday, and who held policies amounting to \$80,000 in The Mutual Life Insurance Company of New York. The forms of insurance under which these policies were issued were so selected that his widow will receive at once \$80,000 in cash and an annual income of \$3,000 for twenty years, and if she is living at the end of that period she will receive \$60,000 in cash, making the total amount received under these policies \$140,000 on which the premiums paid by Mr. Waterhouse amounted to only \$27,492.20. (From the Philadelphia Record, Nov. 13, 1902.)

A FITTING TRIBUTE

A Citizen of Maysville Pays a Well-earned Tribute

The following public statement of a respected citizen adds one more emphatic endorsement of merit to the scores that have appeared before.

Mrs. Philip Fist of 129 East Fifth street says:

"Our son used Doan's Kidney Pills sold at J.

Jas. Wood & Son's Drugstore, corner of West

Second and Market streets, with great benefit.

He was troubled with a disturbed condition of his kidneys for a long time, evidenced by backache, brisk dust sediment in the secretions and a tendency to inflammation of the bladder.

The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."

Forsale by all dealers. Price 50 cents a box.
